TO: All the wonderful friends and family who supported me

It is with gratitude that I write to you today on behalf of myself and the entire OFS Habitat for Humanity Paraguay 2014 Team members for the help and support you gave in helping me raise donations that got me on the ground and building houses for deserving Families in Paraguay.

Our team of 18 members set out from Ottawa on November 8th for the region of Asuncion, Paraguay where we spent 6 days of building in order to provide clean homes and providing a hand up to this deserving community.

The trip to Paraguay with Habitat for Humanity' Global Village was a very rewarding journey not only for the family members and community we served but for the entire team, young and old, as we truly experienced first hand the joy of giving.

I will pull together a small collage of photos that will hopefully help you share in our experience and let you see the joy and smiles your donations have made possible.

Sincerely

Nadine LaRouche RMT.
